

PUBLIC INTEREST STATEMENT

This application seeks Commission consent to the assignment of an earth station license, E880849, from Freedom Broadcasting of New York Licensee, L.L.C. to WRGB Licensee, LLC. The earth station is used in connection with the broadcast operations of WRGB(TV), Schenectady, New York, for news gathering and coverage of events of interest to the station's local community. Accordingly, grant of this FCC Form 312 would serve the public interest.
