Re: **Notice of Consummation of *Pro Forma* Transfer of Control of  
Receive-Only Earth Station Registration E940342  
IBFS File No. SES-ASG-20111207-01529**

Dear Ms. Dortch:

In the above-referenced IBFS submission, timely notice was provided on December 7, 2011, that the *pro forma* assignment of receive-only earth station E940342 from Bonneville Holding Company to Bonneville International Corporation had occurred. Because the after-the-fact notice did not specify the date of the transaction, the licensee name was not updated; and we were instructed to submit a consummation letter. This letter confirms that the *pro forma* transaction occurred November 30, 2011. In order that the IBFS system would accept this letter, however, today's date was entered as the consummation date.

If you have any questions, please contact the undersigned.

Respectfully submitted,

/s/ Timothy J. Cooney
