Re: Notification of Consummation for Application for Consent to
Assignment of E970046; File No. SES_ASG-20130205-00151

Dear Ms. Spriggs:

On February 2, 2013, Express Pipeline LLC and Texas Eastern Communications submitted the Application for Consent to Assignment of station E970046 from Express Pipeline to Texas Eastern. The transaction closed on March 14 prior to the FCC's release of consent on March 26. Since the closing date is prior to the consent date, the parties are unable to submit the notification of consummation through the electronic process.

On behalf of Express Pipeline LLC, we submit this letter to confirm the transaction closed on March 14 and request that the application be updated to show reference to the consummation of the transaction.

Best regards,

Wesley K. Wright
