Request for Extension of Time to Consummate

Dear Ms. Dortch:

On behalf of Barrington Broadcasting LLC (“Barrington”), parent company of the licensees associated with the above-referenced license assignment applications, we respectfully request that the period authorized for completion of the closing and notification of consummation of the assignment of licenses be extended. The applications notifying the Commission of the proposed assignment were granted on April 26, 2013. Additional time is needed to complete the transaction, however, because the Media Bureau has not yet consented to the associated FCC Form 314 assignment applications. Therefore, Barrington respectfully requests an additional 60 days to consummate the above-referenced assignment of licenses.

Any questions concerning this matter may be directed to the undersigned.

Sincerely,

Eve R. Pogoriler
Counsel for Barrington Broadcasting LLC
