**Public Interest Statement and Description of Transaction**

This application serves as notification of the *pro forma* assignment of the earth station license held by WTNH Broadcasting, Inc. (“WTNH Inc.”), which will occur as a result of the conversion of WTNH Inc. from a corporation to a limited liability company, WTNH Broadcasting, LLC (“WTNH LLC”) (together with WTNH Inc., “WTNH”), and to the *pro forma* transfer of control of such license, which will occur when WTNH’s ultimate parent company, LIN TV Corp., also converts from a corporation to a limited liability company (LIN Media LLC) (together with LIN TV Corp., the “Company”).

The transactions will affect only the corporate form of WTNH and the Company, and will neither introduce any new party nor involve the exchange of consideration. There will be no change in the business, management, operations or assets of WTNH or the Company. The associated earth station license will continue to be used in the same manner and for the same purposes following the *pro forma* transactions. Accordingly, the public interest would be served by prompt grant of this application.
