APPLICATIONS FILED FOR THE ACQUISITION OF ASSETS OF STRATOS OFFSHORE SERVICES COMPANY BY RIGNET SATCOM, INC.

PLEADING CYCLE ESTABLISHED

WC Docket No. 13-224

Comments Due: November 27, 2013 Reply Comments Due: December 12, 2013

Stratos Offshore Services Company (Stratos) and RigNet SatCom, Inc. (RigNet) (together, Applicants) filed a series of applications pursuant to sections 214 and 310(d) of the Communications Act of 1934, as amended (Act), seeking approval for the acquisition by RigNet of certain assets of Stratos, including domestic and international section 214 authorizations, earth station and wireless licenses and leases, related network facilities, and customer accounts associated with Stratos' retail energy business. Applicants also filed a petition pursuant to section 310(b)(4) of the Act² to permit greater than 25 percent foreign ownership of RigNet, Inc., which wholly owns and controls RigNet.

Stratos, a Delaware corporation, is a wholly owned direct subsidiary of Stratos Holdings, Inc., which is ultimately owned by Inmarsat plc, a United Kingdom company that provides mobile and fixed satellite services. Stratos provides competitive local exchange and interexchange services in Texas and Louisiana and very small aperture terminal (VSAT) Supervisory Control and Data Acquisition (SCADA) services in all states except Hawaii. Stratos primarily serves oil and gas industry customers.

RigNet, a Delaware corporation, provides global satellite services to oil and gas industry facilities primarily located in remote areas. Applicants state that RigNet does not currently provide domestic interstate or intrastate telecommunications services. According to the Applicants, RigNet, Inc. is a publicly held Delaware corporation. They state that Digital Oilfield Investments LP (Digital), Cayman Islands exempted limited partnership, holds directly 28.2 percent of the equity and voting interests in RigNet and that no other single individual or entity holds direct equity or voting interests in RigNet of ten percent or greater. ³ A series of affiliated Cayman Islands investment entities controlled by KKR & Co. L.P. (KKR), a Delaware limited partnership, own and control Digital. KKR Management LLC, a

³ Applicants state that, subsequent to the filing of the application, Energy Growth AS, a Norwegian entity that was the largest shareholder of RigNet, Inc., sold its shares to Digital.

² 47 U.S.C. § 310(b)(4).

Delaware limited liability company, serves as the general partner of KKR. Henry R. Kravis and George R. Roberts, both U.S. citizens, are designated members of KKR Management LLC.

Pursuant to the terms of the proposed transaction, RigNet will acquire the portion of Stratos' operations focused on providing retail broadband communications services to the energy sector. Applicants state that customers will continue to receive service from RigNet under the same rates, terms, and conditions as they do prior to the closing. Applicants further state that the proposed transaction is in the public interest. They assert that RigNet is qualified to serve Stratos' customer base and that customers will have access to expanded advanced services and new capabilities from additional VSAT and other network facilities in the U.S. Gulf of Mexico and an expansion of skilled management and staff at RigNet.

SECTION 214 AUTHORIZATIONS

A. International

The application for consent to the transfer of control of certain international section 214 authorizations from Stratos to RigNet has been assigned the file numbers listed below.

PETITION FOR DECLARATORY RULING UNDER SECTION 310(b)(4)

Applicants seek a declaratory ruling under section 310(b)(4) of the Act, 47 U.S.C. § 310(b)(4), and section 1.990 through 1.994 of the Commission's rules, that it would serve the public interest to permit foreign ownership in RigNet's controlling U.S.-organized parent, RigNet, Inc., in excess of the 25 percent foreign ownership benchmark in section 310(b)(4), including Digital's 28.2 percent equity and voting interest in RigNet, Inc. Applicants also request specific approval for Digital's upstream owners that are foreign-organized entities to directly or indirectly hold their current respective equity and/or voting interests. In addition, Applicants seek specific approval to allow Digital and these upstream owners to increase their equity and/or voting interests up to a non-controlling 49.99 percent interest in RigNet, Inc. Further, they request that the Commission permit additional aggregate indirect equity and/or voting interests by foreign investors in RigNet, Inc. up to 100 percent. Applicants estimate RigNet, Inc.'s current aggregate direct and indirect foreign equity and voting interests are 45.89 percent and 44.89 percent, respectively.

The Petition for Declaratory Ruling has been assigned File No. ISP-PDR-20130815-00004.
