

Exhibit F

This application seeks FCC consent to the transfer of control of the earth station license identified at item A8 of FCC Form 312 Schedule A (the "Earth Station"), from Duhamel Broadcasting Enterprises, Inc. to New Rushmore Radio, Inc.. The earth station is used in connection with the broadcast operations of KOTA-TV for news gathering and coverage of events of interest to the station's local community. The parties to this application have filed an FCC Form 314 application for consent to the assignment of television station licenses in the Media Bureau's CDBS electronic filing system. After consummation of the proposed transaction the licensee will continue to use the earth station in the same manner and for the same purpose as before the transfer. Accordingly, grant of this FCC Form 312 would serve the public interest.
