

**Public Interest Statement**

This application seeks FCC consent to the assignment of license of Temporary Fixed Earth Station E950348 (the "Station") from Scripps Media, Inc. to Freebird Communications, Inc. Freebird Communications is a leading provider of remote broadcast services throughout the Midwest. Grant of the application will serve the public interest by allowing the continued use of the Station for the gathering and provision of news and information, and coverage of local community events by client television stations and broadcast and cable networks.
