Re: Assignment of Receive-Only Earth Station E7554
File No. SES-ASG-20140224-00112
Request for Further Extension of Consummation Period

Dear Ms. Dortch:

On behalf of Sagamorehill of Duluth Licenses, LLC, the assignee in the above-referenced assignment application, we respectfully request that the period authorized for completion of the closing be extended for an additional 60 days until July 8, 2015.

The Commission granted the assignment on March 10, 2014 (see Attachment A). Since additional time is needed to obtain Commission consent to the assignment of other related facilities in this transaction, this request for extension of time to consummate is necessary.

If any questions should arise concerning this matter, kindly contact the undersigned directly.

Sincerely,

John M. Burgett

cc: Eleanor Lott (FCC)*

Under the authority of the Communications Act of 1934, as amended, the consent of the Federal Communications Commission is hereby granted to the transaction indicated above. The Commission's consent to the above is based on the representations made by the applicants that the statements contained in, or made in connection with, the application are true and that the undertakings of the parties upon which this transaction is authorized will be carried out in good faith. The actual consummation of voluntary transactions shall be completed within 60 days from the date hereof, and notice in letter form thereof shall promptly be furnished the Commission by the buyer showing the date the acts necessary to effect the transaction were completed. Upon furnishing the Commission with such written notice, this transaction will be considered completed for all purposes related to the above described station(s).

ADDITIONAL REQUIREMENTS

Upon consummation the assignor must deliver the permit/license, including any modifications thereof to the assignee. It is hereby directed that, upon consummation, a copy of this consent be posted with the station authorization(s) as required by the Commission's Rules and Regulations. The assignee is not authorized to construct nor operate said station(s) unless and until notification of consummation in letter form has been forwarded to the Commission.
