

## **EXHIBIT F**

This application seeks FCC consent to the assignment of license of the earth station licenses identified at Item A8 of FCC Form 312 Schedule A (the “Earth Stations”), from Fox Television Stations, Inc. (the “Assignor”) to KTVU, LLC (the “Assignee”). The Earth Stations are used in connection with the broadcast operations of the commonly owned television station WFXT(TV), Boston, Massachusetts, for news gathering and coverage of events of interest to the station’s local community. An application for the assignment of the license of WFXT(TV), Boston, Massachusetts, has been concurrently filed with the FCC’s Media Bureau.

The Assignee will continue to use the Earth Stations in the same manner and for the same purpose as before the assignment of the license. Accordingly, grant of this FCC Form 312 would serve the public interest.
