Dear Ms. Lott:

As I mentioned in my voice mail message, I am following up on the e-mail below and the attached consummation notification. Specifically, we will soon be filing additional pro forma notifications and need to have the FCC's records updated (per the consummation notice) so that the TVRO registrations involved will be in the right name when we file.

Please let me know if you have any questions.

Regards,

Subject: Comcast TVRO Consummation Letter

Dear Ms. Lott:

As we discussed, attached is a letter we filed through the Secretary's Office on Monday confirming that a number of previously-approved *pro forma* TVRO assignments were consummated. The letter also requests that the FCC update its TVRO records to show the current name of the registrant. It is likely that additional *pro forma* notifications involving some of these registrants will be filed in January.

Please let us know if you have any questions.

Happy Thanksgiving!

Regards,
Brian Higgins
