

This application requests the Commission's consent to the assignment of certain earth station authorizations (the "Authorizations") licensed to Greater Media Charlotte, Inc. ("Greater Charlotte") to The Charlotte Divestiture Trust (the "Trust"). The proposed assignment of the Authorizations to the Trust is related to a larger transaction, pursuant to which Beasley Media Group 2, Inc., a subsidiary of Beasley Broadcast Group, Inc., will merge with and into Greater Media, Inc., the assignor's parent. In connection with that transaction, the parties are required to divest the FCC broadcast licenses held by Greater Charlotte to comply with the Commission's multiple ownership rules.

Grant of this application will allow the Trust to continue to use the Authorizations to facilitate broadcast operations. The parties to this application respectfully submit that the assignment proposed in this application will serve the public interest, convenience, and necessity.
