Eleanor, the call sign that is missing from IBFS (E130036.) is included as the 3rd call sign (page 11) of the CBS Radio East notice. See attached.

Good Afternoon, Ms Read, I see your email note below talking about one of your call sign is not included in your filing FCC For 312 assignment application that was filed on September 30, 2016, well I don't see it either, but you all filed the application and needed to check to see if you had all your call signs you are filing for, well you need to check and file correct because as we speak I am granting these applications that was filed above.

Thanks
Eleanor Lott

Subject: Question-IBFS Notices as filed

Good Afternoon, I filed these notices of assignment on September 30, 2016 (attached). I was wondering how long before the licensee names are changed in CDDBS?
Also, regarding the CBS Radio East notice, I noticed that it is showing in IBFS for each of the call signs listed on the application except for E130036.

Thanks.

Description of Transaction

This filing is to notify the FCC of the *pro forma* assignment of the receive-only earth station authorizations (the "Authorizations") that are the subject of this application from CBS Communications Services Inc. to CBS Radio East Inc. as part of an internal corporate restructuring. Both the assignor and the assignee are subsidiaries of CBS Corporation. The *pro forma* assignment was consummated on September 30, 2016.

As demonstrated in the charts below, both before and after the consummation of the proposed transaction, CBS Corporation will continue to control the Authorizations.
