Public Interest Showing

The instant application seeks FCC consent to the assignment of the Domestic Satellite Earth Station license used in connection with WTXL-TV, Sarasota, Florida (the "station") from WTXL-TV License LLC to WTXL License Subsidiary, LLC. The station is used to facilitate broadcast operations.

A Form 314 application was filed with the FCC's Media Bureau for consent to assignment of the station and notification of the consummation of the assignment was filed on April 1, 2017. The receive only earth station authorization identified in this FCC Form 312 application is used in connection with the operations of the licensee's television station, and no change in the operation or use of the station registration will occur as a result of the grant. Accordingly, the public interest would be served by prompt consent to this application.
