Consummation Notice

Dear Ms. Dortch:

Pursuant to instructions from International Bureau staff and on behalf of Gray Television Licensee, LLC, I hereby notify the Commission that the transaction for which the above referenced assignment of license applications were filed were consummated on August 1, 2017. On May 30, 2017, applications were filed for earth stations E910084 (SES-ASG-20170530-00612) and E900487 (SES-ASG-20170530-00613) to assign the licenses from Mt Mansfield Television, Inc. to Gray Television Licensee, LLC. These applications were part of a larger transaction involving the sale of WCAX-TV, Burlington, VT (MB File. No. BALCDT-20170517ABE). The parties consummated the transaction on August 1, 2017 and subsequently filed the notice of consummation with Media Bureau on August 2, 2017. Due to an administrative oversight, the notices of consummation were not filed with FCC's International Bureau. The consummation period expired on January 8, 2018 and because the 30 day notification period has passed, the assignee cannot electronically file the consummation notice in IBFS. Gray hereby requests that the Commission accept this letter as the consummation notice for each of the above captioned assignment applications.

Respectfully submitted,

Henry Wendel
