

Exhibit F

Description of Transaction and Public Interest Statement

This application is one of a number of concurrently or recently filed applications that seek Commission consent to assign FCC broadcast and earth station authorizations licensed to subsidiaries of Sinclair Broadcast Group, Inc. (“Sinclair”) (which are currently subsidiaries of Tribune Media Company (“Tribune”)) to subsidiaries of Cunningham Broadcasting Corporation (“Cunningham”) immediately following consummation of the pending merger (the “Merger Transaction”) of Sinclair and Tribune.¹ Broadcast applications with respect to the Merger Transaction were filed on June 26, 2017.²

As these transactions are contingent upon consummation of the Merger Transaction, the applicants request the Commission process these Applications concurrently with the applications for the Merger Transaction. Approval of this application is in the public interest because it will allow the licenses to continue to be used in the operation of the broadcast stations also being transferred in connection with the assignment of licenses from Sinclair to Cunningham.
