### **Description of Transaction and Public Interest Statement**

This application is one of three concurrently or recently filed applications that seek Commission consent to transfer or assign FCC broadcast and earth station authorizations licensed to subsidiaries of Sinclair Broadcast Group, Inc. (“Sinclair”) and Tribune Media Company (“Tribune”) to the Sinclair Divestiture Trust (the “Trust”) immediately prior to consummation of the pending merger (the “Merger Transaction”) of Sinclair and Tribune. Broadcast applications with respect to the Merger Transaction were filed on June 26, 2017, and applications to transfer or assign broadcast stations to the Trust were filed on May 14, 2018.<sup>2</sup>

As these transactions are contingent upon consummation of the Merger Transaction, the applicants request the Commission process these Applications concurrently with the applications for the Merger Transaction. Approval of this application is in the public interest because it will allow the earth stations to continue to be used in the operation of broadcast station KDNL-TV, for which an application is pending in connection with the assignment of licenses to the Trust.
