

Public Interest Statement

This application seeks FCC consent to the assignment of license of Fixed Earth Station E090106 (the “Station”) from WTXL License Subsidiary, LLC (“WTXL”) to Scripps Broadcasting Holdings LLC (“Scripps”). The Station is used in connection with television station WTXL-TV licensed to Tallahassee, Florida for the reception and transmission of programming. An FCC Form 314 application for assignment of station WTXL-TV from WTXL to Scripps was filed on August 28, 2018.

Grant of the instant application will serve the public interest by allowing the continued use of the Station for the gathering and provision of news and information, and coverage of local community event.
