

Exhibit F - Public Interest Statement

Applicant: Peak Uplink, Inc.

File No.: SES-ASG-20190207-00081

Call Sign: E08076

Grant of this assignment of license will allow the temporary fixed satellite services to continue to operate from remote locations throughout the United States and its territories. The remote operations provide SNG, sporting events and other entertainment events from various locations throughout the United States and its territories for service to various broadcast entities.
