

Description of the Transaction
(Assignment of License)

Long Island University Public Radio Network (“LIU”) sold the assets of radio station WPPB(FM), (Fac ID 38340) in Southampton, NY (the “Station”) to Peconic Public Broadcasting (“Peconic”) in 2010 (FCC File No. BALED-20100316ABB) but inadvertently failed to notify the FCC of the ownership change for receive only earth station E060164, which is used in connection with the Station. WNET purchased the assets of the Station from Peconic (FCC File No. BALED-20191023ABW) and consummated the assignment on March 18, 2020.

In accordance with the requirements of Section 25.119(j) of the FCC’s Rules, WNET is reporting the further assignment of receive-only earth station E060164 to WNET. Following acceptance of this notification, please update the FCC records to indicate WNET is the current licensee of E060164.
