Hawaii Teleport LP/LLLP
Assignment Application

EXHIBIT F

Through this Assignment Application, Hawaii Pacific Teleport, L.P. (“HPT LP”) seeks Commission consent for the proposed *pro forma* assignment of all of its satellite earth station authorizations - E000127, E000128, E010116, E010236, E030087, E030115, E030116, E150010, E190068, E190102, E191483, E200033, E200057, E980156, E980250 and E990540 - to Hawaii Pacific Teleport, L.L.L.P. (“HPT LLLP”).

The proposed *pro forma* assignment from to HPT LP to HPT LLLP serves the public interest and will cause no public interest harms because it will enhance HPT’s ability to provide competitive services to its customers. At the same time, the *pro forma* nature of the proposed assignment does not raise any competitive concerns. Therefore, the parties respectfully request that the Commission expeditiously approve the assignment, pursuant to Section 25.119(i) of the Commission’s rules.
