

This application seeks FCC consent to the assignment of license of the earth station license identified at item A8 of FCC Form 312 schedule A (the “Earth Station”), from WPTA License, LLC to Gray Television Licensee, LLC. The earth station is used in connection with the broadcast operations of various television stations for newsgathering and coverage of events of interest to the stations’ local communities. The parties to this application are simultaneously filing in the Media Bureau’s LMS electronic filing system an application requesting Commission consent to the assignment of licenses of the television stations associated with this earth station. After consummation of the proposed transaction the licensee will continue to use the earth station in the same manner and for the same purposes as before the assignment. Accordingly, grant of this FCC form 312 would serve the public interest.
