

Everfast Fiber Networks LLC
Form 312, Attachment 4, Exhibit F
Public Interest Statement

The assignment of receive only earth station registrations from Consolidated Communications Enterprise Services Inc. (“Assignor”) to Everfast Fiber Networks LLC (“Assignee” and together with “Assignor,” “Applicants”) is in the public interest. Assignors’ customers will continue to enjoy high quality telecommunications service following the transaction. Assignee is well-qualified to replace Assignor as the service provider in the Kansas City Market and will complement the experienced management team that is expected to transition to Assignee.

In addition, the transaction is structured to assure an orderly transition of customers from Assignor to Assignee. The Transaction will be virtually transparent and seamless to the affected customers in terms of the services using the earth station receive-only systems that they currently receive since Assignee will continue to provide service to these customers with no immediate change in their rates or terms and conditions of service. In accordance with the terms of their service contracts and the rules and procedures of the Commission, affected customers will be properly notified of the transaction and the change in their telecommunications services provider from Assignor to Assignee. Applicants will comply with the Commission’s procedures set forth in Section 64.1120(e) of the Commission’s Rules regarding the acquisition of customers and will submit the required certification and customer notice at the required time.
