

Description of Transaction

This application requests the Commission's consent to the assignment of certain Commission authorizations (the "Authorizations") from Entercom License, LLC ("Entercom") to Radio One of North Carolina, LLC ("Radio One"). The proposed assignment of the Authorizations to Radio One is related to a larger transaction, pursuant to which Radio One is acquiring from Entercom certain assets associated with four full-power radio stations and an FM translator, including the FCC licenses, see CDBS File No. BALH-20201113AAT.

Grant of this application will allow Radio One to continue to use the Authorizations to facilitate broadcast operations. The parties to this application respectfully submit that the assignment proposed in this application will serve the public interest, convenience, and necessity.
