

Description of Transaction, Public Interest Statement, and Certification

This application seeks Federal Communications Commission (“FCC”) consent to a *pro forma* assignment of a receive-only earth station registration in Hawley, PA, from MX1 LLC to its immediate parent company, SES Americom, Inc. (“SES Americom”). Ultimate ownership and control of the earth station will remain in SES S.A. (“SES”).

SES acquired what was then known as RR Media Inc. in a 2016 transaction¹ and renamed the company “MX1 Inc.” Earlier this year, non-substantive changes were made to the ownership structure approved in the 2016 transfer proceeding. Specifically, effective January 29, 2021, MX1 Inc. was transformed from a Delaware corporation to a Delaware limited liability company, MX1 LLC, and on the same date ownership of MX1 LLC was transferred from MX1 Ltd., an Israeli entity, to SES Americom, a U.S. corporation. Simplified charts depicting the structure before and after these changes are attached.²

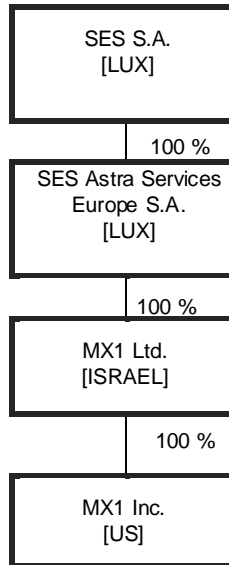

MX1 LLC and SES Americom now seek authority to assign the Hawley earth station registration to SES Americom. Grant of this application is in the public interest, convenience, and necessity because it will simplify management of the Hawley earth station operations under SES Americom’s control by consolidating the authorizations in a single entity.

Pursuant to Section 25.119(i) of the Commission’s rules, the parties certify that the proposed assignment is *pro forma* and that, together with all previous *pro forma* transactions, it will not result in a change in the actual controlling party. The instant application should therefore be deemed granted one business day after filing.

¹ See File No. SES-T/C-20160302-00190, granted May 6, 2016.

² Due to an oversight, SES failed to submit a timely application for Commission consent to these *pro forma* changes. SES requests approval of these intermediate changes as part of the instant application.

Ownership Structure of Licensee MX1 Inc. Prior to January 29, 2021

Ownership Structure of Licensee MX1 LLC After January 29, 2021
