Re: Mission Broadcasting, Inc.
Notice of Completion of Construction for New Temporary Fixed Earth Station E240056
File No. SES-LIC-20240205-00271

Dear Sir or Madam:

Mission Broadcasting, Inc., by its undersigned counsel, and pursuant to Section 25.133 of the Commission's rules, hereby provides notice that construction of temporary fixed earth station E240056 has been completed as authorized in its license, which was granted on August 4, 2025. The station became operational the same day.

The antenna has been tested and performs within the authorized gain patterns. The facility will remain operational unless the license is submitted for cancellation.

If any questions should arise concerning this matter, kindly contact the undersigned directly.

Respectfully Submitted,

A handwritten signature in black ink that reads "Gregory L. Masters".
