MOTION TO DESIGNATE PROCEEDINGS AS “PERMIT-BUT-DISCLOSE”

Mobile Satellite Ventures Subsidiary LLC (“MSV”) hereby requests that the Commission designate the *ex parte* status of the above-captioned proceedings as “permit-but-disclose.”¹ Pursuant to the Commission’s rules, “[w]here the public interest so requires in a particular proceeding, the Commission and its staff retain the discretion to modify the applicable *ex parte* rules by order, letter, or public notice.” 47 C.F.R. § 1.1200(a). These proceedings involve applications filed by Stratos Communications, Inc. and Telenor Satellite, Inc. for Title III and

¹ On this day, MSV has filed a Notice of Intent to Participate in the above-referenced proceedings, thereby making these proceedings restricted under the Commission’s *ex parte* rules. See MSV, Notice of Intent to Participate, File Nos. SES-LFS-20050826-01175, SES-AMD-20050922-01313, ITC-214-20050826-00351, SES-LFS-20050930-01352, ITC-214-20051005-00395 (October 7, 2005).

Section 214 authorizations to operate in the United States using an uncoordinated Inmarsat satellite in the L band. The applications raise policy issues concerning the management of L band spectrum, including complex technical issues. Other applications to operate in this band have been designated as permit-but-disclose proceedings.² A free exchange of views, particularly with Commission engineers, will be useful in creating a more complete record.

Based on the foregoing, MSV respectfully requests that the Commission designate the *ex parte* status of the above-captioned proceedings as “permit-but-disclose.”

Respectfully submitted,

Bruce D. Jacobs
David S. Konezal
