Hello Mr. Meehan,

This is the reply to the message you sent below. You must sent a cancel letter to me and I will take care of the request, or I can use this e-mail message for the cancel request.

Thank you,
Eleanor M. Lott

I have been directed to contact you in order to cancel the satellite license for Northwest Indian College, located in Bellingham, Washington.

The call sign is E950432, FRN number is 0010581908. Apparently, an attempt was made three years ago to cancel the college's license but the effort was not followed through. Can you please explain the procedure that the school needs to take in order the cancel the license? We are currently being billed for a service that we do not use.

Thank you,
