Dear Ms. Dortch:

Please terminate the Eli Lilly and Company license for Call Sign E960496. Eli Lilly and Company is surrendering Earth Station E960496 effective immediately, January 26, 2006.

The earth station's past due invoice, Bill Number 06RE003514 in the amount of \$256, was paid via the FCC website on 1-23-06 so there should not be any delay in surrendering the license.

If you have any questions regarding the surrendering of the Lilly earth station, I can be reached by phone at (317) 276-3304 or by email at [REZ@lilly.com](mailto:REZ@lilly.com).

Thank you for terminating this license.

Sincerely,

A handwritten signature in cursive script that reads "Ronald E. Zarro".
