RE: Call Sign E960606

This letter is serving as notice that Sitting Bull College is relinquishing our license Call Sign E960606 which expired November 2006. The College has not used this license since before August 1<sup>st</sup>, 2003.

Please acknowledge receipt of this letter and that our license has been relinquished or if I need to contact other people. I have received a bill for the previous year and will not be paying it unless I hear otherwise.

Thank You
