

COMPLETION OF CONSTRUCTION OF FIXED SATELLITE STATIONS  
LICENSED TO GLOBECOMM SYSTEMS, INC.

I am the Principal Engineer for GSI and I have reviewed Exhibit A attached hereto and certify that the GSI Stations listed thereon are all those that are currently licensed to GSI and certify that the GSI Stations were constructed and operational in accordance with the technical parameters authorized by the date listed on Exhibit A. The GSI Stations will remain operational as authorized during the license period unless the license is submitted for cancellation.

I declare under penalty of perjury that the foregoing is true and correct.

Gerry Johnston Sr.  
Principal Engineer

Executed on February 21, 2006.
