Ms. Dortch,

In this letter John Hancock Financial Network is notifying you that they plan to cancel their fixed earth station's license and retire their domestic fixed satellite service effective immediately. The station's call sign is E980358. We plan on paying our annual regulatory fee due August/September but want to have this license cancelled before October 1, 2005 to avoid paying a license fee for 2006.

I've enclosed a duplicate of the contract with a self-addressed stamped envelope and request that your office mail a receipt-stamped copy be mailed back to me at the address on this letter.

Sincerely,

John Boyle
