Re: Earth Stations E990296, E990297, E990440, E990504

Dear Ms. Dortch:

As per my conversation with Jeanette Spriggs this morning, please accept this, as our formal request that we wish to relinquish the above-mentioned Earth Station call signs. These call signs are no longer needed by our company. These call signs were previously owned by a company that declared bankruptcy. Network Services, LLC purchased certain assets, which included FCC licenses from the court trustees handling the bankruptcy. The original paperwork for these call signs was not available and not forwarded as part of the sale.

We have emailed this letter to Jeanette Spriggs in your office as well. You may reach me at (310) 615-6553 or via email at lmartinez@networkservices.net should you have any questions.

Sincerely,

A handwritten signature in blue ink that appears to read "Lupe Martinez".
