**Re: Space Coast Communications**  
**License for Transmit/Receive Earth Stations**  
**Rockledge, Florida**

Dear Ms. Lam:

The above-referenced application, among other requests, seeks authority to utilize the following non-United States authorized satellites:

New Skies 803 at 21.5° West Longitude

With regard to the request, these satellites are currently in orbit and operational and the international coordination process has been completed.

Accordingly, pursuant to Section 25.137 of the Communications Rules, Space Coast Communications, Inc., hereby certifies that the financial and technical information with respect to the satellites specified in Section 24.114(c) (5) - (11), (14), (17), and (18) is not required to be included as part of the above-referenced application for the authority to utilize these satellites.

If further information is required, please contact the undersigned.

Respectfully submitted,

Michael Brubaker
