**Re: XM Radio Inc.**  
**Section 25.133 Certification**  
**Call Sign: E000158**

Dear Ms. Dortch:

On March 20, 2001, the International Bureau authorized XM Radio Inc. ("XM") to operate earth station E000158 (File No. SES-LIC-20000407-00536).

Pursuant to grant of this application, XM hereby submits its Section 25.133 certification. Although the attached certification is being filed late, it should be noted that the subject earth station was constructed well within the required one year time frame after the authorization was granted.

Please direct any questions regarding this matter to the undersigned.

Very truly yours,

James S. Blitz  
Vice President, Regulatory Counsel
