

Attachment to FCC Form 312  
New Skies Networks, Inc.  
Site: Livermore, California

Re: Question 42(b)

The Applicant seeks to communicate to satellites owned by New Skies Satellites N.V. (a Netherlands-registered company that is publicly traded on the New York Stock Exchange under the symbol NSK). The Netherlands is a member country of the World Trade Organization (WTO).

The Applicant has previously been found to be legally, technically, and financially qualified to hold earth station licenses. See, for example, FCC File SES-LIC-20000322-00529, among others.
