**Re: XM Radio Inc.  
Section 25.133 Certification  
Call Sign: E000724**

Dear Ms. Dortch:

On January 22, 2001, the International Bureau authorized XM Radio Inc. ("XM") to operate earth station E000724 (File No. SES-LIC-200001204-02301).

Pursuant to grant of this application, XM hereby submits its Section 25.133 certification. Although the attached certification is being filed late, it should be noted that the subject earth station was constructed well within the required one year time frame after the authorization was granted.

Please direct any questions regarding this matter to the undersigned.

Very truly yours,

A handwritten signature in black ink, appearing to read 'James S. Blitz', with a long horizontal line extending to the right.

James S. Blitz  
Vice President, Regulatory Counsel

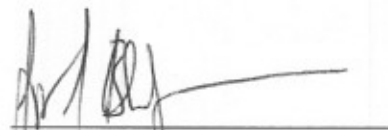

cc: Stephen Duall

**Section 25.133 Certification**

Name of licensee: XM Radio Inc.  
File number: SES-LIC-20001204-02301  
Call sign: E000724  
Date of original grant: January 22, 2001

I, James S. Blitz, of XM Radio Inc. hereby certify the following:

- (1) The above-referenced earth station as authorized has been constructed and tested.
- (2) The above-referenced earth station became operational on January 25, 2001. The frequencies and other technical parameters are as stated in the above-referenced application and license.
- (3) The antenna facility is within 2 dB of the pattern specified in Section 25.209 of the Commission's rules. 47 C.F.R. § 25.209.
- (4) The above-referenced earth station has been and will remain operational during the license period unless the license is submitted for cancellation.

James S. Blitz  
Vice President, Washington Counsel
