Re: *WB Holdings 1 LLC—update of the International Bureau's Filing System to reflect the prior voluntary relinquishment of WB Holdings' license for satellite earth station call sign E010158, File No. SES-LIC-20010518-01032*

Dear Ms. Dortch:

WB Holdings 1 LLC ("WB Holdings"), a wholly owned subsidiary of WildBlue Communications, Inc. ("WildBlue"), hereby requests that the Commission update the International Bureau Filing System ("IBFS") to reflect WB Holdings' voluntarily relinquishment of the license it previously held for call sign E010158, File No. SES-LIC-20010518-01032.

Although WB Holdings has already voluntarily relinquished its license for call sign E010158, the IBFS indicates that WB Holdings still holds an active license for this call sign. WB Holdings currently holds active licenses for only four gateway earth stations, call signs E010151, E010153, E010155, and E040213.¹ WB Holdings had previously been licensed for seven other gateway earth stations. It voluntarily relinquished six of those licenses on March 13, 2003, call signs E010152, E010154, E010156, E010157, E010158, and E010159,² and voluntarily relinquished its license for the seventh, call sign E010150, on September 5, 2003.³

¹ See IBFS File Nos. SES-MOD-20040310-00351 (E010151); SES-MOD-20040310-00352 (E010153); SES-MOD-20040310-00353 (E010155); SES-MOD-20040504-00638 (E040213).

² See IBFS File Nos. SES-MOD-20030313-00388 to 00391.

³ See letter from David M. Brown, Vice President of WildBlue, to Marlene H. Dortch, Secretary, FCC (file stamped Sep. 5, 2003) (filed in IBFS File No. SES-MOD-20030313-00388).

WB Holdings therefore requests that the IBFS be updated to reflect the relinquishment of its license for call sign E010158.

Sincerely yours,
