Subject: Cancellation of FCC License; FRN No.: 0006770788, Call Sign E020129

Dear Ms. Spriggs,

Applied Systems Integrator, Inc. would like to cancel the Federal Communications Commission License (File No.: SES-LIC-20020502-00780, FRN No.: 0006770788, Call Sign E020129). Due to the economic situation, we are no longer pursuing the teleport business as of 2001.

We had contacted FCC in October 2007 to cancel the license verbally with the FCC Help Desk, but apparently it was not cancelled at that time. During the entire year of 2008, we thought that the license had been cancelled until we received this notice of payment. We are asking for a waiver on the payment for 2008.

If you have any question please do not hesitate to contact me at (321) 259-6106. Thank you.

Sincerely Yours,
