Hello,

We just spoke a few minutes ago. Thank you for the quick directions of how to proceed with reinstating our callsign.

Please accept this email as an official request to reinstate our callsign #E020132 (please see the first callsign on page #1 of the attachment). Our accounting department had mistakenly requested the cancellation not realizing that callsign #E020132 is essential to our business.

Thank you very much!!!

-Kristen
