*Re: FCC File No. SES-LIC-20020807-01278; Call Sign E020213*

Dear Ms. Dortch:

By this letter, GCI Communication Corp. ("GCICC") requests that the Commission change the name of the applicant in the above-referenced file from General Communication, Inc. ("GCI") to GCICC, so that the current authorization reflects the authority sought by the applicant. The original license application, as amended in File No. SES-AMD-20021003-1740, should have reflected GCICC (as the applicant name in the amendment). GCICC has been the operator of the station. At present, the International Bureau Filing System reflects identical, duplicative authority for GCI and GCICC with respect to Call Sign E020213. Only GCICC should be shown as the current authorization holder.

Should you have any questions or require further information, please contact me by telephone at +1 202 457 8815 or by e-mail at [cnierman@gci.com](mailto:cnierman@gci.com)

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "CNierman", is written over the typed name.
