Re: ARINC INCORPORATED
Certification of Completion of Construction
File Number: SES-LIC-020030910-01261
Call Sign: E030205
Date of License: 04/06/2005

Dear Ms. Dortch:

In compliance with the requirement to file a certification of completion of construction and commencement of operation with the Commission, in accordance with section H), para. 2938, of the Radio Station Authorization granted 04/06/2005, the following is submitted.

Certification: The facility as authorized therein has been completed. Each antenna has been tested and certified to be in conformance with Section E of the license granted. These authorized airborne stations will remain operational during the stated license period.

Commencement of Operation: The ground-based network control center, Call Sign E03013, is operational as of 04/06/2005, having previously been operated in accordance with the Experimental Radio Station Construction Permit and License, File Number 0130-EX-RR-2004, Call Sign WC2XPE, Class XD MO. granted to Aeronautical Radio Inc. November 01, 2004.

If further information is required in connection with this submission, please direct inquiries and correspondence to the undersigned.

Sincerely,

A handwritten signature in dark ink, appearing to read "William M. Kolb".

William M. Kolb
