Subject: EIRP values for AT&T Transportable

Sophie,

Following are the values you requested for the transportable IB2003002065 file number SES-STA-20031023-01461.

Please let me know if you need further information.

21.06dBW/4KHz
(we have a single carrier)

- Maximum EIRP per Carrier (dBW) = 64.2 dBW
- Maximum EIRP Density per Carrier (dBW) =
- Total EIRP for all carriers (dBW) = 64.2 dBW

Thanks,

Jane Vaughan
