Subject: Pacific Lutheran University - Tacoma, Wa

Regarding the application for the Tacoma, Wa site. Call Sign: E030293 - File No. SES-LIC-20031110-01611. The satellite arc should be Sat Arc East 72 - Sat Arc West 139. This will match the azimuths and elevations on the application, The coordination report has the correct information.

Thanks for you help.

Any question let me know.
