Towanda,

Hi! I was just checking to see if there were any problems with the other application we filed for CMI. It is call sign E040023, file # SES-LIC-20040108-00022. I think it might have a similar error as this other filing that we recently corrected (call sign E040027). Please let me know if we need to make any changes.

Thank you,
