Earth Station Application  
SES-LIC-20040408-00540  
E040172

Dear Mrs. Karr:

This letter is about the above-captioned earth station application filed on April 8, 2004, on behalf of Clear Channel Satellite Services. This application, upon our preliminary inspection, has been found to be defective, and is returned, hereby, to Clear Channel as unacceptable for filing. The application is rendered defective, in the main, because of the frequency band(s) selected by Clear Channel. Please see Parts 2 and 25 of the Commission have to remedy this matter.

In the event you should have questions, please call Mrs. Eleanor Lott, the undersigned, at (202) 418-0728 or e-mail at [www.Eleanor.Lott@fcc.gov](mailto:www.Eleanor.Lott@fcc.gov).

Thank you.

Sincerely yours,
