

43. Description. (Summarize the nature of the application and the services to be provided). (If the complete description does not appear in this box, please go to the end of the form to view it in its entirety.)

The applicant requests authorization to operate a VSAT network providing licensed under call sign E940128, which expired February 18, 2004. The proposed VSAT network consists of: (i) one 6.1 meter hub antenna; (ii) 4500 1.0 meter remote antennas; (iii) 2000 1.2 meter remote antennas; and (iv) 300 1.8 meter remote antennas. Additionally, the applicant requests permission to retain the previous call sign, E940128, for this new authorization.

CERTIFICATION

The Applicant waives any claim to the use of any particular frequency or of the electromagnetic spectrum as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, and requests an authorization in accordance with this application. The applicant certifies that grant of this application would not cause the applicant to be in violation of the spectrum aggregation limit in 47 CFR Part 20. All statements made in exhibits are a material part hereof and are incorporated herein as if set out in full in this application. The undersigned, individually and for the applicant, hereby certifies that all statements made in this application and in all attached exhibits are true, complete and correct to the best of his or her knowledge and belief, and are made in good faith.
