September 21, 2004

Mr. William Howden, Branch Chief
Systems Analysis Branch
Satellite Division
International Bureau

Dear Mr. Howden:

This letter is in response to your request for information dated September 3, 2004, concerning File #SES-LIC-20040505-00648, E040219, the application of Gilbarco Inc. to operate a VSAT located at Gilbarco Headquarters, 7300 West Friendly Avenue, Greensboro, NC 27420-2087 for the purpose of testing application software developed for Imperial Oil Limited for use in their retail POS (point of sale) devices throughout Canada.

The remote will operate off of a Canadian VSAT hub located in Toronto, Ontario, Canada, and is managed for Imperial Oil Limited by Telesat Canada. The remote is monitored and alarmed 24 hours a day, 365 days a year by the Telesat Network Operations Center in Allan Park, Ontario, and is reachable at 1-800-265-3076 (519-371-7490) at any time. The primary American based contact for this service will be Mr. Bryan Herman (Director US Operations) located at 15776 Leone Drive, Macomb, Michigan, 48042. He may be reached at 586-697-9968 X224 (forwarded at night to the Telesat SNOG number noted above) or 24 hours per day at his cellular 586-212-9556. The remote can be disabled remotely by contacting any of the numbers above.

Access to the VSAT at the Gilbarco Premise in Greensboro can be obtained by contacting Jeff Hallman and after normal business hours 24/7 Gilbarco Security Personal will be the contact and will have the capability of removing power to the VSAT to cease all transmissions.
