Seeking authority to operate a transmit-only transportable (temporary-fixed) earth station vehicle for the purpose of transmitting analog and compressed digital signals for coverage of enws and sporting events to Sure Shot, it's customers and affiliated stations. Points of communications will be ALSAT (U.S. Domestic Satellites) to and from various locations

#### CERTIFICATION

The Applicant waives any claim to the use of any particular frequency or of the electromagnetic spectrum as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, and requests an authorization in accordance with this application. The applicant certifies that grant of this application would not cause the applicant to be in violation of the spectrum aggregation limit in 47 CFR Part 20. All statements made in exhibits are a material part hereof and are incorporated herein as if set out in full in this application. The undersigned, individually and for the applicant, hereby certifies that all statements made in this application and in all attached exhibits are true, complete and correct to the best of his or her knowledge and belief, and are made in good faith.
