Dear Ms. Nguyen:

Further to your oral request, this is to confirm that Telco 214, Inc. holds Section 214 Authority from the Federal Communications Commission. The Authorization Number is ITC-214-19970717-00408.

Also, this is to confirm that, with respect to the three above-referenced earth stations, we do not intend to utilize points of communications (satellites) licensed by any foreign countries.

Very truly yours,
/s/
